

To Whom it may concern,
I would just like to take a moment of your time to voice my opinion.
I would like you to know that I feel that I benefit from listening to XM
Satellite Radio and its traffic and weather channels. I feel that satellite
radio provides variety and quality that are not available elsewhere. I pay for
these services and I beleive that it should not be up to the National
Association of Broadcasters to dictate what I am permitted to hear. I
respectfully urge the FCC to reject the NAB's petition 04-160 and to support
XM's ability to provide the kind of programming that I demand and deserve.

Thank you for your time.

Respectfully,

Angel Valle
